

Looking for some creative time?

Without looking, choose one or more cards from different categories.
Of course, you don't have to stick exactly to the cards. Get inspired
by the combinations, follow the ideas that come to mind
and play with your creativity!

I hope you enjoy this box of inspiration.
When you use the cards, I'd love it if you tag me and use the
hashtag #nienkeletterinspiration. Can't wait to see what you create!
